

Aihab Umair

College Junior

Profile

Self-motivated fresher with a flair for creating elegant solutions using code.

Solved **800+** programming questions across different platforms.

Created **10+** independent tech projects in 2020-21.

Education

B-Tech, Chemical Engineering, Indian Institute of Technology (BHU), Varanasi (2019 - 2023)

GPA: 9.30

CBSE (XII), GVN: The Global School, Bhopal (2019)

Grade: 96.00%

CBSE (X), Bal Bhavan School, Bhopal (2017)

GPA: 10.00

Projects

Book Review Website

- Developed a user-friendly platform for discussing books, adding reviews, maintaining a reading list, searching new books by author/genre/title, etc.
- Implemented **authentication** from scratch using flask sessions.
- Used **SQL** and **SQLite** to create database tables and maintain relations between different data fields.
- Incorporated **Google Books API** for fetching necessary details and stored the data efficiently in the database.
- Worked with the data of over 2500 books and wrote 1000+ lines of code.
- Exposure: **Heroku Cloud Database, SQL queries, Flask, HTTP, REST-APIs.**

Skills

Programming Languages:

Javascript, C++, Python

Web Technologies:

React.JS, Flask, HTML, CSS, Sass, Figma, Git

Areas of Interest:

Data Structures & Algorithms, Web Development, Competitive Programming

Others:

Familiar with C, Java, MERN, Django, PostgreSQL, Gatsby

Position of Responsibility

Student Counselling Services (SCS), IIT BHU (2020 - Present)

Organized and coordinated talks and workshops for the skill and personality development of students on campus.

Achievements

[Leetcode](#) | [Geeksforgeeks](#) | [Codeforces](#) | [Codechef](#)

- Global rank **2350** in Google Kick Start 2021 - Round D.
- Rank **109/10K+** (Top 1%) in May Codechef Starters 2021.
- Rank **81/745** in Kaizen 2020 by Zenith IIIT Hyderabad (Team of 2).
- Top **1200/15K+** participants in Crio Winter of Doing 2021 (by Crio.do).
- **3rd Position** in Goldberg's Alley - Technex 2020, IIT BHU (**Leader**, Team of 5).
